### LEASING

### ADVANTAGE

Without affecting bank or credit lines. No matter what type of Hydrogen Application or type of business, you need the proper equipment to compete and be more efficient, close more sales and increase profit.

Secure Supplies works with our Design and Developer Team in House and manufacturers across the country, allowing our teams to provide financing options to you our customer to assist you in reaching your goals.

Businesses rely on a multitude of hydrogen and power equipment types to run day-to-day operations.

From equipment that are staples with most businesses, such as hydrogen-fueled Generators and Fuel Cells to Fuel Makers, Tanks, Trucks, h2 dispensers, and compressors.

### Global Distribution
